EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Larry Bassuk on 05/24/2005.

The application has been amended as follows:

Claim 1, line 5 after "interval;" delete ---and---

Claim 1, line 8, after "interval" insert ---;

C. temporarily storing on a link list information about the packets including the respective deadline intervals;

D. storing real-time information contained in the packets in a separate storage area; and

E. also temporarily storing on the link list respective pointers associated with the respective deadline intervals, the pointers pointing to the real-time information in the separate storage area from the respective packets---

Claim 4 (cancelled).

Claim 30, line 3, "chanesl" has been changed to ---channels---

Claim 30 line 7, after "reserves;" delete ---and---

Claim 30 line 10, after "reserves" insert ---;

C. temporarily storing on a link list information about the packets including the respective deadline intervals;

D. storing real-time information contained in the packets in a separate storage area; and

E. also temporarily storing on the link list respective pointers associated with the respective deadline intervals, the pointers pointing to the real-time information in the separate storage area from the respective packets---.

Claim 81, line 9, after "interval" insert ---, the instructions providing for:

i. temporarily storing on a link list information about the packets including the respective deadline intervals;

ii. storing real-time information contained in the packets in a separate storage area; and

iii. also temporarily storing on the link list respective pointers associated with the respective deadline intervals, the pointers pointing to the real-time information in the separate storage area from the respective packets---.

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Regarding claims 1, 30, 81, the prior arts fail to teach or fairly suggest a method of processing first and second received packets of real-time information of a single chip integrated circuit, comprising the steps of:

temporarily storing on a link list information about the packets including respective deadline intervals;

storing real-time information contained in the packets in a separate storage area;
and

also temporarily storing on the link list respective pointers associated with the respective deadline intervals, the pointers pointing to the real-time information in the separate storage area from the respective packets, in combination with other limitations as specified in the independent claims 1, 30, 81.

Conclusion

3. Any inquiry concerning this communication or earlier communication from the examiner should be directed to Thien Tran whose telephone number is (571) 272-3156. The examiner can normally be reached on Monday-Friday from 8:30AM to 5:00PM.
